**RE: REFERENCE LETTER FOR NGT HOLDINGS (PTY) LTD**

This letter serves to confirm that we worked with Nkosinathi Tomose and his team from NGT Holdings (Pty) Ltd (hereafter referred to as NGT Holdings) as built environment heritage consultants, industrial archaeologists and socio-economic specialist on the following stations and depots as part of PRASA Railway Modernisation Programme:

Depot projects completed with postive ROD

- HIA and demolition permits for Braamfontein depot, Gautent Province
- HIA and demolition permits for Wolmerton depot, Gauteng Province
- HIA and demolition permits for Springfields depot, KwaZulu-Natal
- HIA and demolition permits for Durban Yard, KwaZulu-Natal
- Notitice for Intent to Develop for Salt River depot, Western Cape

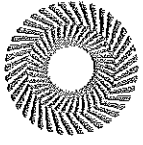

Current

Integrated Cultural Resources Management (ICRM) study for Salt River depot, Western Cape. This is a multi-specilaist HIA study which could be compared to a UNESCO level HIA based on Heritage Western Cape Minimum Standards for completion of HIAs, grading of heritage places and sites within heritage places. It also includes a detailed heritage cosultation with various heritage bodies, trusts and research institutions.

NGT consultants are committed to quality and attention to the required detail. We would not hesitate to recommend them for any other similar project.

Directors Dr P Molefe (Chairman), C Letsoalo (Acting Group CEO)
