TO WHOM IT MAY CONCERN

RE: REFERENCE LETTER: NGT CONSULTANTS

This letter serves to confirm that we worked with NGT consultants as heritage consultants on **DoD Irish Kensington Refurbishment project**: in which they were involved in the following:-

1. Obtaining Heritage Permit from PHRA-G
2. Preparation of HIA and Conservation management plan
3. Monitoring of the CMP

NGT were most professional in their conduct and attention to the required detail. We would not hesitate to recommend them for any other similar project.

We hope you find the above in order, however should there be any further assistance please do not hesitate to contact the undersigned.

Yours Faithfully
ARNOLD MUGANHU – Principal
